Re: Free Covid-19 Testing Dates and Locations

Dear Citizens of Fannin County,

Fannin County has been working with WellHealth to set up free Covid-19 testing for our county. We have received the dates of testing which are listed below. **Please understand that these dates and times are subject to change.** If any changes are made, we will notify our local press and place any changes on our homepage at www.co.fannin.tx.us. These locations will be drive-thru testing and you will be able to schedule online closer to the date of testing at <https://covid19.wellhealthdfw.com/>. Please reach out to our Emergency Management Coordinator, Troy Hudson, with any questions you may have. He may be reached at 903-640-8484 or at thudson@fanninco.net.

We have heard great things about this testing company and have been told it is a very quick process.
