

EMPLOYMENT NOTICE

The Commissioners Court of Fannin County, Texas is soliciting applications with resumes for the position of Development Services Director. Minimum qualifications shall include but will not be limited to the following:

Development Services Director shall be responsible for the monitoring of development and enforcement of all regulations of the County's floodplain areas to ensure that no structure or land is located altered, or had its use changed without full compliance with the terms of these regulations and other applicable regulations. This position will be responsible in assisting persons considering the subdivision and development of unincorporated areas of Fannin County. The Development Services Director will maintain and hold for public inspection all records pertaining to the provisions of the regulations of the Floodplain Management as well as the County Subdivision Regulations and will be responsible for attending Subdivision Planning Meetings.

Applications may be obtained from the Fannin County Auditor's Office at 200 East 1st Street or the County website www.co.fannin.tx.us.

For further information and to submit application, contact Fannin County Commissioner Pct. #2, A.J. Self at (903) 587-3455 or e-mail aself@fanninco.net. Fannin County is an equal opportunity employer.
