

PROTEST FORM

(Please select which one you are protesting):

- Change in Zoning
- Special Exception
- Zoning Text Amendment(s)
- Specific Use Permit
- Planned Development

Property ID(s) of request being protested: See attached list.

Description of request being protested: _____

Proposed zoning of unzoned property and removal of section 5.01 OSSF Requirements.

Any owner of property subject to the request listed above may protest the request by filing a written protest with the Development Services Director of Fannin County located at 1203 E. Sam Rayburn Dr., Bonham, Texas or by calling 903-449-4220. The Protest Form must be received by 2.00pm June 6, 2023. Responses received after that time shall not be counted in the record of response.

If protests are written and signed by the owners of at least 20 percent of either: (1) the lots covered by the proposed zoning, exception, PD or Specific Use Permit; or (2) the lots immediately adjacent to the rear of the lots covered by the proposed zoning, exception, PD or Specific Use Permit and extending 200 feet from those lots or from the street frontage of the opposite lots, then approval by the Commissioners Court shall only occur with a concurring vote of at least three-fourths of the full membership of the Commissioners Court.

REQUIRED INFORMATION

1) **Property Address or Legal Description of Person Protesting:**

900 N. Kealy St., Lewisville, TX 75057

2) **Property Owner's Name:**

Upper Trinity Regional Water District

3) **Reason for Protest:**

See attached letter.

4) **Signature of Property Owner AND Date:**

RE: Notice of Formal Protest – Proposed Lake Ralph Hall Zoning Changes

Dear Ms. Hopkins:

In response to the public notice received by Upper Trinity Regional Water District related to the Public Hearings scheduled for June 8th in front of the Lake Ralph Hall Zoning Commission and June 13th Public Hearings in front of the Fannin County Commissioners Court, please consider this a formal protest related to (1) the proposed implementation of zoning of Upper Trinity Regional Water District-owned property located within the referenced, advertised proposed zoning change and (2) the removal of section 5.01 OSSF Requirements from the zoning regulations.

On the issue of implementation of the zoning of AG - Agricultural District along the shoreline of Lake Ralph Hall, UTRWD is opposed to the LRH Zoning Commission's proposal on the grounds that this is not in conformity to the adopted Comprehensive Plan and is not in the best interest of either the County or UTRWD as it relates to protection of the shoreline and protection of water quality.

As an alternative, UTRWD would request that (1) any decision regarding the zoning of this area be deferred until the Lakeshore Management Plan has been adopted, or (2) failing that, implementing LO – Lake Operations District on identified properties that are subject to actual Lake Operations (these will be identified at the June 8th meeting, but please note that these properties/areas are already identified in the adopted Comprehensive Plan with the exception of one property) with the remainder of the unzoned shoreline being zoned into a new district called LB – Lake Buffer Zone which will be drafted to reflect protection of the lake shore and riparian buffer zone. The regulations will be drafted to reflect that UTRWD has no plans to construct any buildings or develop any property in the LB-Lake Buffer Zone.

Ms. Di Hopkins, Director
Fannin County Development Services
Re: Notice of Formal Protest – Proposed LRH Zoning Changes
Page 2 of 2

On the second issue of removal of section 5.01 OSSF Requirements from the zoning regulations, UTRWD is opposed to the LRH Zoning Commission's proposal on the grounds that this is not in conformity to the adopted Comprehensive Plan and is not in the best interest of either the County or UTRWD as it relates to protection of the shoreline and protection of water quality. Further, adoption of this provision will be in direct violation of the agreement approved by the Fannin County Commissioners Court and signed on March 24, 2008 whereby the County committed to requiring centralized sewer collection for development as a measure to protect the water quality of Lake Ralph Hall both a public water supply and as a contact water recreation source. It is imperative that Fannin County not take actions that harm its citizens and / or those who will use the lake for recreational purposes!

Therefore, it is requested that the LRH Zoning Commission and Fannin County Commissioner's Court seriously consider UTRWD's formal protest to the proposed zoning changes related to UTRWD's property. Again, UTRWD is not opposed to the other amendments proposed by the LRH Zoning Commission - - only the change in zoning and the removal of section 5.01 OSSF Requirements from the regulations.

Should you have any questions, please call me at (972)-219-1228.

Sincerely,

Larry N. Patterson
Executive Director
