

# Fannin County Historic Courthouse Facility and Grounds Use Policy

## **Guiding Principles:**

- Historic Courthouse Facility Reservations are available on a first-come, first-served basis.
- Fannin County possesses compelling interests in maintaining public property in a clean and usable condition, coordinating multiple uses of limited space, and ensuring that sidewalks and public property remain safe and accessible.
- In order to safeguard the open use of the Historic Courthouse, limited time, manner, and place restrictions are appropriate.

## **Organized Exterior Gatherings:**

Notification to the County Judge's office and reservation is required to reserve a space on the Historic Courthouse grounds. The County Judge may impose additional requirements.

Historic Courthouse Facility reservations are available on a first-come, first-served basis, except as detailed below. Completed applications will be processed in the order received.

Fannin County maintains the right to deny an interior or exterior application for reservation on any of the following grounds:

1. The application for reservation (including any required attachments and submissions) is not fully completed or executed;
2. The application for reservation contains a falsehood or misrepresentation;
3. The application or the person on whose behalf the application for permit was made has on prior occasion damaged Fannin County property and has not paid in full for such damage;
4. The use or activity intended by the applicant would conflict with previously planned programs organized and conducted by Fannin County or the judicial system and previously scheduled for the same time and place;
5. The use or activity intended by the applicant would present an unreasonable danger to the health or safety of the applicant, of other users of the Historic Courthouse grounds, of law enforcement, of county or judicial systems employees or of the public.
6. Fannin County is unable to obtain proper staffing for the planned event date or time.
7. The use or activity intended by the applicant could cause potential harm to the Courthouse or Courthouse grounds.

In order to ensure proper staffing, as much advanced notice as possible is requested. In any event, reservation applications will not be accepted less than three (3) business days prior to the start of the event. If the reservation application needs further research for a decision, the application will be presented to the Fannin County Commissioners Court for review and approval. This process could take up to one week.

Applications must include preferred contact information for the applicant. A member of the County Judge's office or a member of the Courthouse Facility Use Committee will respond to the application through the information provided with any approval, denial, or additional questions or concerns in a timely manner.

After issuance, a copy of the application may be retrieved from the County Judge's office or the application may be transmitted to the preferred contact information of the applicant. Original approved or denied applications will be maintained at the Historic Courthouse, but applicants are advised to keep a copy of approved applications on-site during reservation events.

In addition, organized gatherings may require notice to other agencies, such as the City of Bonham or the Texas Department of Transportation. These agencies may have their own rules regarding organized gatherings. It is the responsibility of the applicant to research this information and to obtain any additional approval from any other agency.

Submission of an application is NOT approval to hold the planned event. If a reservation is denied, specific reasons for the amendment or denial will be provided.

If you have any questions about a particular event or activity and whether a reservation is required, please contact the Fannin County Judge's office.

The primary use of Fannin County Historic Courthouse facilities is to conduct county government business.
