Describe briefly what you do	

I welcome your business to Fannin County and would like to briefly inform you about property tax. According to the Texas Property Tax Code, property used for the production of income is taxable and must be rendered. You will receive a rendition form in the mail that must be filled out and returned to the Appraisal District by April 15 of each year. I will also come to your business for annual site visits. Please contact me if you have any questions or concerns. Thank you and I look forward to meeting you.
